

La Diligence

By: Jos Cleber / Ferry van Delden - Arnold Mühren / Piet Veerman

Take Me Down In A Stagecoach, Down To La Diligence
There Where My Heart Is In The Southern Hills
Old Wheels Keep On Rollin' Down To La Diligence
Where You Can Chase Away The Evening Chills

A Name In Neon-light
Will Lead You Through The Night
Shining From Afar
It Looks Like A Star

And The Coachman Christopher Takes You Down To La Diligence
He Takes You Right Into A World Of Dreams

Dancing Romancing The Lights Turned Down Low
The Night's Young And Swaying,
Favourite Bands Are Playing
Shining Eyes Glancing, Candles Aglow
Beautiful People Are To See The Show

Dancing The Night Away
Good Times Are Here To Stay
Rolling On A Sea Of Harmony

And The Thrill Of Every Moment, Down In La Diligence
Will Remain A Memory Treasured In Your Heart

Dancing Romancing The Lights Turned Down Low
The Night's Young And Swaying,
Favourite Bands Are Playing
Shining Eyes Glancing, Candles Aglow
Beautiful People Are To See The Show

A Name In Neon-light
Will Lead You Through The Night
Shining From Afar
It Looks Like A Star (Let's Go To The Show)

Dancing The Night Away
Good Times Are Here To Stay
Rolling On A Sea Of Harmony (To La Diligence)
