

Rosie

By: Dick Wagner

Arr: Piet Veerman / Cor Veerman

I've Been Out All Night
Up And Down The Lonely Back Streets
In And Out Of Every Bar-Room Door
Every Hangout That We Used To Know

And I Feel So Strange
Seeing The Old Familiar Faces
Doing My Best To Keep Myself In Touch
And I've Been Missing You Much Too Much

And I Wonder What You're Doing For Love These Days
It's Been A Long Time Since Anybody Here
Has Seen Your Face
Yes, I Wonder, Will I Find Someone To Take Your Place
I Can't Stop Thinking About You
Life Ain't Easy Without You, It's Cold Here These Days

Rosie It's Been So Long Since I've Seen You
It's Been So Hard Here Without You
I Can't Stop Thinking About You
Rosie Sometimes I Think That I See You
Sometimes I Think That I Feel You
Rosie It's Cold Here These Days

It's The Same Old Town
Nothing Ever Seems To Change Too Much
Even The Movie At The All Night Show
I've Seen It Play A Dozen Times Or More

I Feel So Strange
Stumbling Blindly Through The Darkness
It's Always Empty In The Back Row Seats
Until I Close My Eyes, And You're With Me

Rosie

Rosie It's Been So Long Since I've Seen You
It's Been So Hard Here Without You
I Can't Stop Thinking About You
Rosie Sometimes I Think That I See You
Sometimes I Think That I Feel You
Rosie It's Cold Here These Days

And I Wonder Do You Go Out At Night
And Do You Ever Get Fooled In A Neon Light
And Do You Think You See My Face
The Way I Sometimes Think It's You

But When You Disappear From Sight
Just Another Shadow In The Night
Another Shadow In The Night

Rosie Sometimes I Think That I See You
Sometimes I Think That I Feel You
Rosie It's Cold Here These Days
Rosie It's Cold Here These Days
Rosie It's Cold Here These Days
Mmmm Mmm
Mmmm Mmm
