

Samaina

By: Cees Veerman

Where Is The Jasmin I Smell
Is This Your Garden I'm In
Or Am I Under Your Spell
Samaina

The Sweet Wine That I Taste
Is It Rain From The Sky
Come Lay Your Arms Around My Waist
Samaina

And Then We'll Sail Away Upon Your Silver Wings
Fantasies Coming Alive
Sail Away Into My Land Of Dreams
Somebody Tell Me Where Am I

I Hear The Sound From The Sea
Coming In Waves On The Wind
It's Such A Strange Melody
Samaina

Your Warms Your Lips On My Skin
Just Like The Rays Of The Sun
They Seem To Swallow Me In
Samaina

And Then We'll Sail Away Upon Your Silver Wings
Fantasies Coming Alive
Sail Away Into My Land Of Dreams
Somebody Tell Me Where Am I

I Love You, I Adore You, I'm Praying For You
Samaina

And Then Magic Moments Overwhelming Me
Sail Away Silver Wings
Magic Moments Overwhelming Me
Sail Away
Samaina
