

# **Sail Away**

by: Piet Veerman

Sail Away From A Rainy Day  
From All The Clouds Of Grey  
When I Wanna Sail Away With You, Out Of The Blue  
Take Away The Night  
Make You Feel Warm Inside  
Lay Down Beside Me, Give It Time

Together We'll Be Flowing You And Me  
We Will Find Us Flowing Free  
As The Wind And The Sea  
In A Close Harmony  
Now Our Love's Gonna Be  
In Rhythm With The Mumbling Of The Sea  
Yeah We Will Say Goodbye To What Ever Rainy Day

Now Come Along And Follow  
Come And Let Me Lead Your Way  
To Timeless Spaces That You Almost, Have Forgotten  
Let Me Take You There  
Guide You With A Gentle Care  
To Golden Rainbows We Will Sail

Together We'll Be Flowing You And Me  
We Will Find Us Flowing Free  
As The Wind And The Sea  
In A Close Harmony  
Now Our Love's Gonna Be  
In Rhythm With The Mumbling Of The Sea  
Yeah We Will Say Goodbye To What Ever Rainy Day  
Yeah We Will Say Goodbye To What Ever Rainy Day
