

It Turns Me Inside Out

By: Jan L. Crutchfield

In A Way I'm Glad It's Over
Even Though It's Gonna Hurt Me Once You're Gone
I Can Learn To Live Without You
Give Me Time And I Can Make It On My Own

Loving You To Me Came Easy
Now Loosing You Will Change My Life No Doubt
In A Way I'm Glad It's Over
In Another Way It Tunes Me Inside Out

In A Way I Guess It's Better
Even Though There's Nothing Good About Goodbye
But I Know I Couldn't Hold You
Now You've Found The Wings And You'll Be Groomed To Fly

It's For Sure I'm Gonna Miss You
But I Guess That's What Goodbye Is All About
In A Way I'm Glad It's Over
In Another Way It Tunes Me Inside Out

On The One Hand I Know I'll Be Better Off Once You've Gone
But I Find A Lot Of Heartaches On The Other
And I Can't Say I'll Look Forward To Those Nights I'll Be Alone
And I Wonder Will There Ever Be Another

`Cause Loving You To Me Came Easy
And Losing You Will Change My Life No Doubt

In A Way I'm Glad It's Over
In Another Way It Turnes Me Inside Out

In A Way I'm Glad It's Over
In Another Way It Turnes Me Inside Out
