

Lovers Don't Talk

By: Fred Bekky / Tony Kolenberg

Lovers Don't Talk, Lovers Don't Talk
Isolated And Separated,
Alone In The Night Sending Out Soundless Words Reaching
Each Others Mind
No One's Left Behind,
'Cause Too Many Tears Have Been Cried

Lovers Don't Lie, Lovers Don't Lie
Truth In Their Eyes, No Love In Disguise,
Once They Are Touched
They Will Try Twice As Much To Be One For All Time
Or Else They Would Rather Die, Mmm Die

I Know That You Know That Even When We Are Apart
We Got Something Together
Bad Talks And Sad Talks Have Broken So Many Romances
And If That's The Way
I Hope And Pray
That Lovers Don't Talk

Lovers Get Hurt, So Badly Hurt
Hurt By Those Words, Laser Sharp Words,
The Intentions Ain't Right
'Cause These Words Fear The Light They Just
Jealously Bite
They Hide In The Night, The Night

I Know That You Know That Even When We Are Apart
We Got Something Together
Bad Talks And Sad Talks Have Broken So Many Romances
And If That's The Way
I Hope And Pray
That Lovers Don't Talk

That Lovers Don't Talk
That Lovers Don't Talk
That Lovers Don't Talk
That Lovers Don't Talk
That Lovers Don't Talk
Mmmm Mm, Mmmm Mm
