

## **We Ain't Free**

by: **Marnec / Piet Veerman - Marnec / Piet Veerman / Alan Parfit**

What Can I Do, But Trying To  
Forget About Ya, Though I Know It's Hard To Do  
What Can I Say, My Yesterday  
And Your Tomorrow, A Team Bound To Lose  
Cry Me A Tear, A Diamond Year  
Is Gonna Leave Us, On Our Own, Me And You  
You Used To Say, Some Rainy Day  
Would Come To Meet Us, And Greet Us With The Blues

You've Got To See, That We Ain't Free  
We're Hopelessly In Love My Love, But We Ain't Free  
You've Gotta Try, To Say Goodbye  
To Say Goodbye Now, And Lead Your Life Without Me  
You Know I Do, I Care For You  
I Read Your Mind, And All The Time I Think Of You  
You Know That I, I Need To Find  
To Find A Way Now, Me Without You

You And I We Can't Have Tomorrow  
Though We Can Remember Yesterday

You'll Ever Be, A Part Of Me  
A Part Of Me, That Wasn't Ever Ment To Be  
But When You're Gone, And Life Goes On  
You're Still Be Giving, Living Memories

You've Got To See, That We Ain't Free  
We're Hopelessly In Love My Love, But We Ain't Free  
You've Gotta Try, To Say Goodbye  
To Say Goodbye Now, And Lead Your Life Without Me  
You Know I Do, I Care For You  
I Read Your Mind, And All The Time I Think Of You  
You Know That I, I Need To Find  
To Find A Way Now, Me Without You

You'll Ever Be, A Part Of Me  
A Part Of Me, That Wasn't Ever Ment To Be  
But When Your Gone, And Life Goes On  
Your Still Be Giving, Living Memories
