

## **If I could be with you now**

by: Cees Veerman

If I Could Be With You Now  
I'd Lay Down Beside You  
And Love You How I Wish  
To Be With Only You

If I Could Be With You Now  
I'd Buy You A Ring And A  
Bouquet Of Flowers, If I  
Could Only Be With You

Cause Every Night You're In My Dreams Girl  
And Every Day You're On My Mind  
One Word And I'll Be There With You Baby  
Wow Oh Wow If I,  
Could Only Be With You  
Mmmmm Mmm

If I Could Be With You Now  
I'd Merry You Girl  
And Keep My Vow, My Heart  
Yearns For Only You

Cause Every Night I Dream About You Girl  
And All Off The Time You're On My Mind  
One Word And I'll Be There With You Baby  
Wow Oh Wow If I,  
Could Only Be With You

If I Could Only Be With You  
If I Could Only Be With You

Wow Oh Yeah  
If I Could Only Be With You  
If I Could Only Be With You
