

She's So In Love

By: Russ Ballard

People Talk, Say They Ain't Seen You Around
And Say; "Come To Think Of It, It's Been Quite A While"
They All Say; "Never Thought We'd See You Part
I Mean To Say, Now That Ain't Your Style"
Then I Go And Tell Them Babe

She's So In Love, So In Love, So In Love
Calls Me Ev'ry Day
She's So In Love, So In Love, She Told Me Today
It Won't Be Long, Won't Be Long, Won't Be Long
'Till She's By My Side
It Won't Be Long, Won't Be Long
'Till She's Back To Stay
You Made Me A Liar Babe, You Made Me A Liar Babe
You Made Me A Liar Babe

I Just Can't Take, All The Sorrow And Sympathy
I Guess I'm Too Proud To Say, That You're Gone For Good
So I'm A Fool, But Pretending Is The Only Way
Since You Stood Up, Opened The Door And Just Walked Away
But Still I Go And Tell Them Babe

She's So In Love, So In Love, So In Love
Calls Me Ev'ry Day
She's So In Love, So In Love, She Told Me Today
It Won't Be Long, Won't Be Long, Won't Be Long
'Till She's By My Side
It Won't Be Long, Won't Be Long
'Till She's Back To Stay
You Made Me A Liar Babe, You Made Me A Liar Babe

She's So In Love, So In Love, So In Love
Calls Me Ev'ry Day
She's So In Love, So In Love, She Told Me Today
It Won't Be Long, Won't Be Long, Won't Be Long
'Till She's By My Side
It Won't Be Long, Won't Be Long
'Till She's Back To Stay

She's So In Love

She's So In Love, So In Love, She Told Me Today

It Won't Be Long, It Won't Be Long

'Till She's Back To Stay
