

Hey Baby (Won't You Come Out Tonight)

By: Cees M. Veerman

Don't Play The Fool
Don't Treat Me Cruel
And Leave Me Broken Hearted
Don't Break It Up This Love Affair
Before It Really Started

Hey Baby Won't You Come Out Tonight
Let's Go For A Stroll Along The Waterside
Hey Baby Won't You Come Out Tonight
Baby, Baby

If I Could Choose
Win Or Loose
For You I'd Swim The Ocean
So Please Don't Let Me Wait
Don't Hesitate
Don't Play With My Emotions

Hey Baby Won't You Come Out Tonight
Let's Go For A Stroll Along The Waterside
Hey Baby Won't You Come Out Tonight
There's A Small Cafe
With A View On The Bay
Where The Music Is Fine
Over A Glass Of Wine
Maybe We Could Make It Up Again

Hey Baby Won't You Come Out Tonight
Let's Go For A Stroll Along The Waterside
Hey Baby Won't You Come Out Tonight
There's A Small Cafe
With A View On The Bay
Where The Music Is Fine
Over A Glass Of Wine
Maybe We Could Make It Up Again

Baby, Make It Up Again
