

I Could Never Hurt

When The Lights Went Down
And We Were About To Go
Though We Tried To Hide
The Feelings Had To Show
Love Was Out In The Air
And We Didn't Wanna Loose It There
So I Walked You Home That Night

Loving Energy
Torn Between Right And Wrong
'Cause When We Woke Up
To The Truth We Knew All Along
Love Was Not Meant To Be
And All There's Left Now For Me
Is Only Another Song

I Could Never Hurt Someone Who's Bound To Me
I Know How I Try, Never Get Around To Be Rambling On
I Know, Yes I Know
Somehow I Would Have To Take To Lying
Got To Get Me An Alibi
And Oh, You'll Catch Me Trying, Stumbling On

And Oh, You Know That We Will Share A Special Memory
Hold On To These Moments Silently
Say Goodnight But Never Say Goodbye
As Long As We Keep Seeing Eye To Eye

I Could Never Hurt Someone Who's Bound To Me
I Know How I Try, Never Get Around To Be Rambling On
I Know, Yes I Know
Somehow I Would Have To Take To Lying
Got To Get Me An Alibi
And Oh, You'll Catch Me Trying, Stumbling On

Baby, You'll Catch Me Trying, Stumbling On
Baby, You'll Catch Me Trying, Stumbling On
Baby Don't You Know, You'll Catch Me Trying, Stumbling On
Oh Baby, You'll Catch Me Trying, Stumbling On
