

You May Already Be A Winner

By: John Hiatt

Dry Your Eyes Pretty Girl
I Just Got News From The Outside World
I Don't Know How They Got Our Names
But Yesterday This Letter Came
Mr. And Mrs. Permanent Dweller
Your Lucky Number Is....

You May Already Be A Winner
You May Already Be A Winner

Well I've Suspected This For Years
But Still In All It's Nice To Hear
They're Pulling For Us In The Post
To You My Dear I Raise This Toast
The House Of Our Dreams An Eldorado
A Ten Speed Blender, You

You May Already Be A Winner
You May Already Be A Winner

Well I Never Counted My Chickens Before They're Hatched
And I Know There's Always A Catch
But I Felt From The Start That Our Hearts Were A Perfect Match

I Know You're Tired Of The Same Old Dress
I Know The Car's Been Repossessed
I Know This House Is Just A Shack
But There's This Love We Can't Hold Back
Would You Like A Beer With Your TV Dinner
And Oh My Darling, You

You May Already Be A Winner
You May Already Be A Winner
You May Already Be A Winner
You May Already Be A Winner
