

# Isn't It A Lovely Evening

By: Cees M. Veerman

Isn't It A Lovely Evening  
Do You Wanna Walk With Me  
Then I Would Like To Tell You Something  
I Love You Oh So Desperately  
Oh My Darling Please Believe Me  
I Need You More Than You'll Ever Know  
How Can I Ever Make You See  
I Love You More Than I Can Show

So Please Give Me Your Hand  
And We'll Walk On, Hand In Hand  
Till The Night Has Gone  
Or Am I Not Good Enough For You  
Then Tell Me Baby What Can I Do

But Isn't It A Lovely Evening  
Stars Above Are Shining Bright  
They'll Be Listening To The Words Of Love  
The Words I'll Whisper Through The Night  
Oh, My Darling Please Believe Me  
I Love You More Than I Can Show  
How Can I Ever Make You See  
How Can I Ever Let You Know

Come On Honey Give Me Your Hand  
And We'll Walk On, Hand In Hand  
Till The Break Of Dawn  
Together We Will Start A Brand New Day  
So Come Along Let's Walk Away

Oh My Darling Please Don't Leave Me  
You Can Make My Dream Come True  
All I Ask Of You Is One Thing  
I Wanna Know If You Love Me Too
