

# Shine On

By: Jaap Schilder - Jaap Schilder / Arnold Mühren / Cees Veerman

'Shine On, Shine On, Like A Flaming Star In The Sky  
Shine On, Shine On, Down On Me From Way Up High  
You're My Lighthouse Of Love  
Shining From Above

Shine On, Shine On, Keep The Flame Inside Me Alive  
Shine On, Shine On, You're The Reason For Me To Survive  
Though The Fear In My Heart  
Is Tearing Me Apart

Here I Am, Your Local Hero  
A Lonesome Robin Hood  
Here I Am, Your Freedom Fighter  
Oh How I Wish I Could Stop This Game  
And Love You Like I Should

Shine On, Shine On, Let Your Love-Light Shine Through The Rain  
Shine On, Shine On, Let Your Loving Arms Ease The Pain  
Give Me Shelter Tonight, Till The Morning Light

Here I Am, Your Local Hero  
A Lonesome Robin Hood  
Here I Am, Your Freedom Fighter  
Oh How I Wish I Could Stop This Game  
And Love You Like I Should

Shine On  
Shine, Shine On  
Shine, Shine On
