Only Words
By: Cees Veerman

You Said It So Many Times
You'd Always Be Mine
But When I Needed You Most
It Was Hard On Me To Find Out
That All Of Your Promises
Were Always Made To Be Broken
Never Meant To Keep
You're Giving Me False Hope
And The Hurting's Deep

      Only Words, But They Never Give An Answer
      To My Questions
      They're Always Far Beside The Truth
      Only Lies, That's All I Ever Get From You
      That's All I Ever Get From You
      You You You You
      That's All I Ever Get From You
      You You You You

All These Endless Conversations
Never Made Any Sense
There Was No Consideration
It Was A Foolish Romance
You Never Gave It A Change

      Only Words, But They Never Give An Answer
      To My Questions
      They're Always Far Beside The Truth
      Only Lies, That's All I Ever Get From You
      That's All I Ever Get From You
      You You You You
      That's All I Ever Get From You
      You You You You
      That's All I Ever Get From You
      You You You, You You You
