

It Feels Like Crying

By: Cees Veerman

All My Life

I've Been Awaiting Someone Like You

Someone To Care For

Someone To See Me Through

And All Of The Time

I Keep Yearning For Your Sweet Caress

For The Warmth For Your Embrace

Your Tenderness

No One Compares To You

Nobody I've Ever Known

Since You Turned Your Back On Me

It's Seems A Long Time Ago Now

I Lost Count Of The Years And The Tears

I've Been Crying About You

But It's A Cruel World, Yes I Know

But What Can I Do

I Just Need Somebody

A Shoulder To Cry My Tears Upon

Someone To Comfort Me

While Troubles Linger On

And Every Time My Heart Skips A Beat

When You Pass Me By

Without Even Noticing Me

It Feels Like Crying

It Feels Like Crying

Crying Crying

It Feels Like Crying

It Feels Like Crying

No One Compares To You
Nobody I've Ever Known
Since You Turned Your Back On Me Baby
It's Been A Long Time Ago Now
It Didn't Work Out Well, But Heaven
Can Tell
When We Try It Again
Maybe Things Have Changed,
I Made My Mistakes
But That Was Then

I Just Need Somebody
A Shoulder To Cry My Tears Upon
Someone To Comfort Me
While Troubles Linger On
And Every Time You Pass Me By
My Heart Skips A Beat
It Makes Me Feel So Weak Inside, And I
I Feel Like Crying
I Feel Like Crying
Crying Crying
I Feel Like Crying

Oe, Oe, Crying
It Feels Like Crying
Heaven Can Tell
Like Crying
You Know It Feels Like Crying
