

No Reason At All

By: Cees Veerman

Ever Since I Went Away
I Got Troubles On My Mind
I Wonder How Long Will It Last
This Emptiness Burning Deep Down Inside
Well I Guess I'm Unable To Forget The Past
And All Off The Good Times
That We Both Share
Memories You Can't Wash Away Like Soap
Now There's Only One Remedy
When I'm In Dispair
That's To Hold On To The Last
Sparkle Of Hope

And There's No Real Good Reason
No Reason At All
Nothing Can Keep Us Apart
And There's No Real Good Reason
No Real Good Reason
Cause I Love You Straight From My Heart
There's No Reason At All
Why We Should Stay Apart
There's No Reason At All
Why We Should Stay Apart

So If Not Tomorrow
Then Maybe Next Week
I'm Gonna Be Back
Right Where You Are
And In The Small Hours
I Got Promises To Keep
I'm Gonna Write You A Love Song
While You're Fast Asleep

No Reason At All
