

Blue Diamonds

By: Henk Hofstede

I Saw Her In The Supermarket Looking At The Price
She Bought A Pack Of Cigarettes, I Looked Up In Her Eyes
And I Noticed There's Someone Inside Her Head

She Was Nearly Seventeen, A Woman In A Child
She Will Wake Up In A Dream So Beautiful And Wild
And I Noticed There's Someone Inside Her Head
And I Noticed There's Someone Beside Her Yet

Did You See That Blue Diamonds In Her Eyes
Did You See That Blue Diamonds In Her Eyes
Yes I Saw Her Twice

And I Noticed There's Someone Inside Her Head
And I Noticed There's Someone Beside Her Yet

Did You See That Blue Diamonds In Her Eyes
Did You See That Blue Diamonds In Her Eyes
Yes I Saw Her Twice

I Saw Her In The Supermarket Looking At The Price
She Bought A Pack Of Cigarettes I Looked Up In Her Eyes
And I Noticed There's Someone Inside Her Head

Did You See That Blue Diamonds In Her Eyes
